Authorization for this examiner's amendment was given in a telephone interview with Joseph Kolasch on 18 November 2004.

The application has been amended as follows:

Cancel claims 8-19.

Replace the title with: --A Disposable Diaper Including Lateral Side Cores.--

In claim 3, line 8, after "said", replace the remainder of the claim with:

-- lateral absorbent cores in the longitudinal direction where said lateral absorbent cores are disposed and both of said lateral absorbent cores are, in natural states of said diaper, protuberantly curved inward in a widthwise direction of said diaper.--

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The art of record fails to disclose or suggest a diaper having laterally outboard cores on either side of a central absorbent core, the laterally outboard cores each overlying longitudinally extending elastic members.
